The JOINT DECREE LETTER is now the LEGAL PROTECTION for ALL under the Highest Law nationally and internationally. It is an umbrella protection for all countries, their leaders, governments, banks and their valuable citizens.

Swissindo World Trust International Orbit Swissindo is an organization that was created by the Founding Fathers of the 25 Parent Countries in the World, in 1887, when Indonesia was still ruled by several Kingdoms.

Mr. Sino AS, explained that UN-Swissindo's highest purpose is to create a secure, comfortable and prosperous world. This will be achieved by Debt Burden Liberation Certificate (DBLC) and granting M1 Master Bond Voucher as basic income for all Indonesian citizens, as well as all citizens of the world. "My duty is to sort out the world administration." The administration that was referred to was interrelated to debts, which have enslaved world citizens for centuries. Therefore, he said, in this case Swissindo will act as the third party, to connect those in debt with the loan providers or banks.

With the signing of this Joint Decree, it is imperative that the government and media immediately announce the historical news to free the people.

What is clear is that Mr. Sino AS aka M1 stated, the purpose of Debt Burden Liberation Certificate and the M1 Master Bond Voucher are to free ALL human beings. What's more, this program is only part of UN-Swissindo's Major Program – the completion of Payments 1-11, one of which is Human Obligation. UN-Swissindo believes, when everyone's debt is relieved (DBLC) and their basic needs (M1-Voucher) are guaranteed, that means all human beings are equal and have value as God's creatures, living into a future we all deserve ... HEAVEN on EARTH.

Included in the agreement of Joint Decree Letter is also Corporations debt up to 2 Billion USD, Country and Bank Quotas valued at 138,990 Billion USD each and Patent License Agreement Authority will be given to all Countries accepting the Payment Order 1-11 for printing their new ESTWO currency, Gold backed.
