To:

With Respect and Grace from God Almighty,

On behalf of the UN SWISSINDO’s Volunteers, we are grateful for this great opportunity to present to you the evidence to the People and President of RI, for your consideration and wisdom in making wise decisions for an investigation into alleged embezzlement of Bank Indonesia Certificate (SBI) funds No. 101.102.537, date 26 June 2012, which will not only affect the Defendant himself, UN SWISSINDO President, Mr. Sino. AS. Soegihartonotonegoro (IR. Sugiharto ST. M1) and family, but for People throughout the World. A Violation of HUMAN RIGHTS has been inflicted upon ONE highly valued being that will affect not only yourself, your family, but the entire Worldwide Community.

In accordance with his Note of Defense in his own handwriting, dated January 15, 2019, he reaffirmed:

1. He has never created / made the Certificate of Bank Indonesia, SBI No. 101.102.537, dated June 26, 2012 worth Rp. 450,000,000,000,000. - and have never used it according to the function of the SBI at any Bank including Bank Indonesia (BI), the 6 Prime Banks, as referred to in the claims of the Article 263, Paragraph 1 and Paragraph 2.

2. The existence of other Parties in the Representative Statement Letter that was signed by the owner of SBI No.101.102.537, dated June 26, 2012, which was issued based on: Memorandum Safekeeping Receipt from UBS-Union Bank of Switzerland No. CDS 226771/BG-8699-UBS, dated 10 September 2008, addressed to DANA RASA with Bank Statement Re-CD No. 79003872, Via Transfer that was issued in the form of Bank Indonesia Certificate (SBI) dated June 26, 2012.

World Address of Owner States-M1: Jl. Sultan Agung Tirtayasa, Griya Caraka K1-4 NO.24 Cirebon, Indonesia 45153
Tel. +62-231-8493503
4. The existence of another Party, PT. LAMHOT PARTNER MANDIRI LESTARI with the same SBI No. 101.102.537 dated June 26, 2012

5. His request to the Panel of Judges and the Public Prosecutors to have the Former Governor of Bank Indonesia - Darmin Nasution, Director of PU (Public Works) - Mulyawan Hadad (SBI Signatories) present, was ignored by the Public Prosecutors, and there were no witnesses from the Sulawesi TPK (the crime scene) either.

6. There was an Indication of One’s Prestige/Abuse of Position, Authority and suspicion of embezzlement of Funds by the Officials of Bank Indonesia need to be addressed by KP (KPK/ Corruption Eradication Commission).

Our respected leader, UN SWISSINDO President, Mr. Sino. AS. Soegihartontonegoro (IR. Sugihartono ST. M1), has been detained since August 9, 2018, in a Criminal case NO. 421/Pid.B/2018/PN.Sbr, where he was presented 7 days later in front of the media press conference in orange prisoners’ clothing, complete with handcuffs and treated like a criminal prior to any trial or proof of guilt. The publication was about the case 263 of the Criminal Code, even though the status of the case was NOT in detention status or jailed. That was a gross human rights violation! This can be seen in the newspapers below:

Threatened by the Charges of Article 263 paragraph (1) and (2) of the Criminal Code, then the Judge decision was given on January 18, 2019, 3 (three) years and 10 (ten) months imprisonment, less the length of time the defendant was in detention.

A very heavy and unfounded claim, which according to the accusation, a FAKE letter (SBI NO. 101, 102, 537 worth Rp. 4500 Trillion) has been used, yet the existence and issuance of the ORIGINAL letter was not recognized by the aggrieved party, Bank Indonesia (BI) and the 2 BI witness experts, namely MULYANI GANEF and RETNO WULANDARI. What then happened was that the perpetrators/customers of the Bank downloaded from the Site and used it without the knowledge or order of the Defendant, but the Defendant was still punished, even after the fact of the BI witness experts said that BI did not feel disadvantaged.

UN SWISSINDO to Disburse Misallocated IDA Credits as Grants, through the International Development Association (IDA), a facet of the World Bank Group (WBG), has launched a campaign to disburse misallocated IDA Credits dating back to 1961, to allotted countries, starting with Indonesia.

Following an audit of World Bank – International Development Association (IDA), it was determined that the Governments, as Country Organizers and Public Servants, have been the victims of the Global Political System. There are IDA Grants available to the Member Countries of IDA, due to the Combined Currencies since 1956 (IDA Part II), the principal capital was planted in IDA by the Leaders of the Nations, including the first President of Indonesia, Ir. Soekarno. Indonesia became the Donor Country leading the 25 Parent Countries, as a result of the Belgrade Conference in Yugoslavia in 1961, led by President Soekarno and President Modibo Keita of Mali.

The data was closed to the public after the assassination of President J. F. Kennedy in 1963, which was followed by the coup d’état, and house arrest of President Soekarno and the imprisonment of President Keita until their death.

The data was re-opened again on April 1, 2018. Through the “OPEN DATA”, the existence of IDA Grants and the elimination of Country Debts to WBG now can be seen. To date this information has been unknown to the Governments, including the Indonesian Government, from President Soeharto to President Jokowi.

Unfortunately, H.M. MR.A1.SINO.AS.S”2”.IR. SOEGIHARTONOTONEGORO,HW.ST.M1 was called in for questioning and then detained, without using a lawful warrant, before he published the news to the World.

His purpose is pure, he is NOT a criminal, on the contrary, he is in the middle of defending his Country for the benefit of the People of Indonesia and the World, through his Mission Program.

The unfounded detention for case of Criminal Code 245 was stopped by the National Police Headquarters on May 6, 2019. The Republic of Indonesia is responsible for his “compensation”, his family and the people in the World, for his arrest, detention, prosecution and trial, in accordance with Article 1 number 22 of the Criminal Procedure Code Law.

Thereby:

We, UN SWISSINDO Volunteers and the People from the 5 Continents, supporters and recipients of M1 Vouchers, part of Payment Order 1-11 Program, together wish to thank the President of RI for his help. In unity, we support the realization to FREE Mr. Sino. AS. Soegihartonotonegoro (IR. Sugihartono ST. M1) respectfully from the charges and demands of the Public Prosecutors and the decision of the Cirebon Court of Judges.
